GERMAN-AMERICAN BUSINESS COUNCIL OF BOSTON, INC.
Dedicated to encouraging and cultivating German-American business and trade.

America

Choose certainty.
Add value.

**The German American Chamber of Commerce, Inc.,
The German American Business Council of Boston, Inc.
and TÜV SÜD America Inc.**

cordially invite you

to a discussion and luncheon with:

Martin Schröder, Lead Auditor of TÜV SÜD's Carbon Management Service

To be discussed:

**“Making Carbon an Asset –
Success Factors for Climate Change Strategies
and Voluntary Offset Projects”**

The keynote speaker will provide an overview on schemes and activities that have been installed globally to mitigate climate change. Different standards for Verified Emission Reductions and key lessons learned from the auditing perspectives will be shared.

Examples of projects on methane capture and flaring mining operations and landfills, bio-digesters from farming with lagoons, and some renewable energy applications will be highlighted.

Introduced by:

Dr. Benno W. Bunse, President & CEO of the German American Chamber of Commerce, Inc., New York

Brigitte Hoppe Carangelo, President of the German American Business Council of Boston, Inc.

Karsten Xander, President and CEO, TÜV SÜD America Inc.

Thursday, April 10, 2008

Event starts at 12:30 with lunch from 1:00 to 2:30
