

GERMAN-AMERICAN BUSINESS COUNCIL OF BOSTON, INC.

GBANE 2013

19th Annual International Business Forum & Networking Night

GLOBAL TRADE & ECONOMIC OUTLOOK: *Implications for international business in the year ahead*

This annual event of the Global Business Alliance of New England (GBANE) attracts hundreds of companies involved in German and/or international business.

The evening starts with a **Global Trade and Economic Outlook** presentation by speakers: **Geoffrey Somes**, Senior Economist with State Street Global Advisors; and **Michael Goodman**, Associate Professor and Chair, Dept. of Public Policy at UMASS Dartmouth.

Followed by a Networking Reception with international trade associations and government agencies providing information and resources to help your own international business.
