

A traditional German social event since 1810, originally started in Munich to celebrate the marriage of King Ludwig I to Princess Therese

Join us for a special **GABC Oktoberfest** at the **Sam Adams Brewery** with German fare provided by **Karl's Sausage Kitchen**. The brewery is normally closed at this hour, but is staying open to host this special event, which includes continuous 20-minute tours of the historic Sam Adams brewery-- and of course, Sam Adams beer! Raise a glass with old friends, and meet other members while savoring warm Bavarian Leberkase, grilled Bratwurst, traditional white radish salad, and "Brezel" in the gemütlich pub inside the brewery. Explore the brewery, as the beer is being made and bottled. A unique and wonderful way to get together with GABC friends in Boston's international business community, and to celebrate a dearly held Bavarian tradition in a treasured Boston location!
